

August 6, 2026

Officials, Directors,

TC United currently requires all players and coaches to accept the terms of Concussion Awareness and Sudden Cardiac Arrest Awareness in order to be enrolled within our program.

TC United Coaches and Players are unable to complete their registration and be placed on a roster unless the terms and conditions have been accepted and a medical form completed. This is a mandatory part of online registration, our players and coaches do not carry separate SCA/CC paper forms.

Anwar Wilson, TC United Registrar
